ASSOCIATION

About AIRA

The Australasian Investor Relations Association (AIRA) was established in 2001 to advance the awareness of and best practice in investor relations in Australia and New Zealand and thereby improve the relationship between listed entities and the investment community. The Association's 160 corporate members now represent over **A\$1.2 trillion** of market capitalisation, over 80% of the total market capitalisation of companies listed on ASX.

The award winners are listed on the following pages.

To access the research methodology and voting criteria, please visit [About the Best Practice Awards](#) and [About the Sell-Side Awards](#).
